### Instructions:

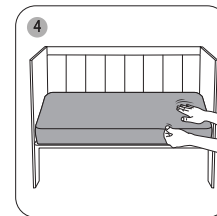

Wash the sheet before use. Ensure that the crib mattress is clean and dry.

The stretchable elastic band should always be pressing against the bottom of the mattress.

Check periodically to ensure there are no folds or wrinkles.

**NOTE:** This product can stretch to accommodate mattresses **SLIGHTLY** bigger or smaller than the standard size. **NOT SUITABLE** to fit extra small or large sized cot mattresses - this will compromise safe sleep. Be sure to follow your country's safe sleep guidelines at all times.
