Recommended Age:	6-24 months

Product Description:

From breakfast spills to craft-time splatters, Haakaa's Mess-free Smock & Bib Set is your all-in-one solution to everyday mess. The bib makes mealtime cleanups easier than ever thanks to its wide coverage and deep crumb-catching pocket, while the smock offers full upper-body protection for those extra messy moments, including art time! Both are made from lightweight spill-resistant fabric that helps keep clothes clean and dry with minimal effort.

Soft, breathable, and comfortable to wear, each piece features adjustable closures for a secure fit without irritation. The smock's open-back design lets little ones move freely, and the bib folds compactly for quick, uncomplicated travel or storage. Easy to wipe clean and quick to dry, this matching set is the perfect companion for feeding, play, and everything in between!

Features:

- The perfect combo to suit all your needs, from starting solids and so much more!
- Smock has long sleeves and generous front coverage to help keep clothes clean during meals and play.
- Elastic cuffs keep your little one's arms covered without pinching.
- Open-back design reduces restriction & allows free movement for easier acceptance by babies.
- Spill-resistant fabric shields against oil and water splashes, preventing soaking for easy cleanup.
- Deep pockets catch crumbs and spills, or can be flipped inwards if not needed.
- Soft, breathable material with protective trim contours comfortably to baby's body.
- Adjustable hook & loop tape neck fastening offers a quick, secure, and fuss-free fit.
- Smock & bib combo suits a range of needs and means there's always one available.
- Easy fold and carry - perfect for meals, crafts, outings, and travel.
- Built to survive daily wear and repeated washing without compromising performance.
- Easy-care: simply hand wash and allow to dry.

Cleaning and Care:

Wash before use. Although machine washable, to help your bib last longer we recommend hand washing in warm water (below 30°C) with mild detergent, then rinsing and drying thoroughly. If using a washing machine, place the smock/bib in a laundry bag, then choose the delicate cycle (below 30°C). For small spills, wipe clean with a damp cloth or sponge. The fabric may retain colour from food or liquids it comes in contact with. To minimise discolouring, wash immediately after use. Wash with like colours to avoid colour transference. Not suitable for chlorine, bleach, ironing, or dry cleaning. Hang to dry. Store in a cool, dry place and avoid direct sunlight.

Caution:

- Adult supervision is required at all times.
- Check product condition regularly. Replace this product if it shows any signs of damage.
- Never use this product to cover your baby's head or face.
- Do not expose to open flames or sharp objects.
- Do not store near sharp objects.
- Do not forcefully stretch this product.
- Do not use this product for anything other than its intended use.
- Ensure this product is clean before use.
- Always dry thoroughly before storing.
- Avoid prolonged soaking or storing in damp environments to prevent unpleasant odours.
- Although this product is water-resistant, large splashes should be wiped off promptly. Change to a clean one if needed to avoid staining or seepage.
