

SILICONE DUMMY HOLDER CASE

PRODUCT MANUAL

English

Product Name: Silicone Dummy Holder Case

Material: Food Grade Silicone

Dimensions: 235 x 90 x 42 mm

Colours: Cream/Midnight Blue/Mist/Toffee

Product Description:

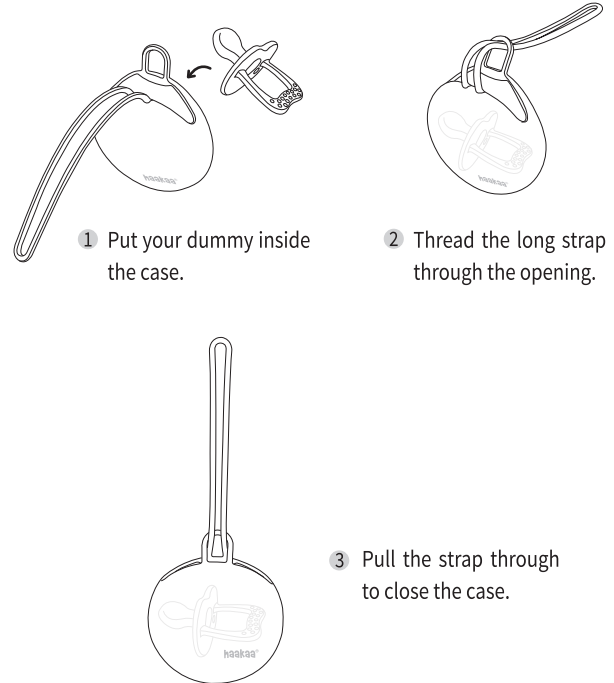

Soothe your baby anytime, anywhere with Haakaa's Silicone Dummy Holder Case! Made of soft and lightweight 100% food grade silicone, our case protects your little one's dummy or teether from dirt, dust and other nasties while out and about. It features a one-piece design with room to fit up to three dummies and a sturdy strap that can be easily attached to any baby bag or stroller, providing convenient access to comfort when your baby needs it.

Features:

- Keeps dummies and soothers clean and hygienic on-the-go!
- Protects contents against dirt, dust and germs.
- Loops onto any bag or stroller for easy access – no more fumbling and searching.
- Simple and lightweight one-piece design fits up to 3 dummies.
- Made of soft yet durable 100% food grade silicone.
- Safe in dishwashers, microwaves, boiling water and sterilisers.
- BPA, PVC and phthalate-free.

Cleaning and Care:

Although dishwasher safe, we recommend washing in warm, soapy water. Do not use any bleach-based cleaners or tablets to sterilise or clean your Haakaa products. To sterilise, use a steam steriliser or boil in water for 2-3 minutes.

1 Put your dummy inside the case.

2 Thread the long strap through the opening.

3 Pull the strap through to close the case.

Caution:

Check product condition regularly. Replace if this product shows any signs of damage. Avoid storing near sharp objects. Only soft bristle brushes or soft sponges should be used to clean this product, as hard scourers may scratch the surface. Keep in a dry, cool place and avoid storing in direct sunlight.
