Material:	Food-Grade Silicone
Dimensions:	180 x 65 x 124mm
Colours:	Banana/Pea Green
Pattern:	Oscar Owl
Recommended Age:	12 months+

#### Product Description:

Help encourage your little one to self-feed anywhere you go with the Snack-N-Seal Silicone Pouch! This handy little travel snack pouch has been specially designed to transport snacks anywhere your child needs a quick pick-me-up! The 100% food-grade construction is non-toxic and safe for any age-appropriate treats you want to carry with you, while the zip seal on top keeps food fresh and secure until you need it. Featuring a wide opening to allow you to quickly fill and clean the pouch, the adorable owl design also has dual handles large enough to be easily held while bubs feeds themselves. It couldn't be simpler!

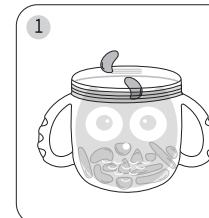

#### Features:

- Perfect for storing and serving age-appropriate snacks.
- Soft, flexible 100% food-grade silicone is soft on baby's skin.
- Silicone seal keeps baby treats secure, hygienic and leak-resistant when out and about.
- Adorable owl shape captures baby's attention and encourages independence.
- Semi-transparent design lets parents and caregivers easily track food intake.
- Dual handles with anti-slip grooves allow for easy holding and carrying.
- Wide opening and sturdy, stable base make filling and cleaning the pouch a breeze.
- Easily fits into bags or strollers, making feeding simple and hassle-free anytime, anywhere.
- Safe in dishwashers, boiling water, fridges and freezers.
- BPA, PVC and phthalate-free.

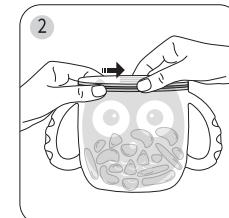

#### Cleaning and Care:

Wash before and after use. Although dishwasher safe, we recommend hand washing in warm soapy water, then rinsing and drying thoroughly. Only soft bristle brushes or soft sponges should be used to clean this product, as hard scourers may scratch the surface. Please do not use bleach-based cleaners or tablets to clean this product. To sterilise, use a steam steriliser or boil in water for 2-3 minutes. Store product in a cool, dry place and avoid direct sunlight.

#### Instructions:

Put age-appropriate snacks or treats inside the pouch.

Seal the strip carefully, ensuring there are no gaps.

Take on-the-go! Open the seal and let baby grab food independently.

**NOTE:** The sealing strip of the pouch may deform when squeezed. Do not forcefully shake, squeeze or store in an unstable environment (e.g. below heavy objects).

#### Caution:

- Adult supervision is required.
- Always check food temperature before feeding.
- Check product condition regularly. Replace if this product shows any signs of damage.
- Keep out of the reach of children and pets when not in use.
- Due to risk of strangulation, never attach this product to cords, ribbons, laces or loose parts of clothing.
- Do not store near any sharp objects.
- This product is not a toy. Do not use this product for anything other than its intended use.
- This product is not suitable for storing liquids.
- Do not fill food beyond sealing strip.

**PLEASE NOTE:** Always consult your medical professional for advice regarding infants and food allergies or if planning to introduce solids earlier than recommended.
