| Recommended Age: | 6 months+ |

Product Description:

The Haakaa Lightweight Silicone Pocket Bib is here! Made from 100% food-grade silicone, it's gentle on sensitive skin and features an ergonomic shape that contours to your baby's neck. Lightweight and comfortable, it's easy for babies to wear during mealtimes, meaning they're happier to wear it without trying to pull it off. The buckles on the strap make adjustment a breeze, allowing the bib to grow with your baby as they journey through the transition to solids. It even includes a deep pocket to catch all those falling crumbs and spills, making clean-up that much easier. The flexible silicone folds easily into the bonus travel case, so it's the perfect bib to have on hand for use anywhere – at home or on the go!

Features:

- Made from flexible, 100% food-grade silicone.
- Ultra-thin, lightweight design is easier to wear.
- Ergonomically shaped for a comfortable fit, contouring to your baby's neck.
- Five holes on the neck strap allow the bib to be adjusted to grow with your baby for long-term use.
- Deep spill pocket catches crumbs and food to help keep mealtime mess-free.
- Soft silicone folds to fit into the included travel case for convenient on-the-go use.
- Seamless waterproof design makes it easy to clean.
- Safe in microwaves, boiling water, dishwashers and sterilisers.
- BPA, PVC and phthalate-free.

Cleaning and Care:

Wash before and after each use. Although dishwasher safe, we recommend hand washing this product in warm, soapy water and rinsing and drying thoroughly. For small spills, wipe clean with a damp cloth or sponge. Only soft bristle brushes or soft sponges should be used to clean this product as hard scourers may scratch the surface. To sterilise, use a steam steriliser or boil in water for 2-3 minutes. Do not use bleach-based agents to clean this product. Store product in a cool, dry place and avoid direct sunlight.

Caution:

- Check product condition regularly.
- Adult supervision required at all times.
- Replace this product if it shows any signs of damage.
- Never use this product to cover your baby's head or face.
- Do not expose to open flames or sharp objects.
- Do not forcefully stretch this product.
- Do not use this product for anything other than its intended use.
- Ensure this product is clean and sterilised before use.
