Contents: 1 x Silicone Divided Suction Bowl
 1 x Silicone Straw
 1 x Silicone Straw Holder
Standard: EN 14372

Product Description:

Haakaa's Silicone Divided Suction Bowl is ideal for fussy little eaters, with three compartments to keep food separate in easy-to-eat sections! It's made of 100% food-grade silicone, making it the safer choice for your little ones as it won't leach into food, unlike plastic. Our bowl features a strong suction base to help it stick to the table, preventing it from being knocked over by little hands and causing a huge mess!

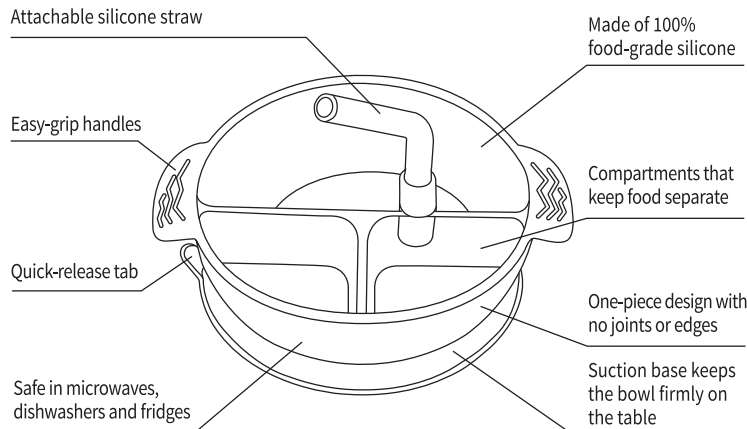

The Silicone Divided Suction Bowl comes with a short silicone straw that can be attached to allow your child to drink from the compartments.

Features:

- Made of 100% food-grade silicone.
- Three compartments to keep food separate for fussy eaters.
- Strong suction base that sticks to the table, preventing any potential messes.
- Childproof quick-release tab at the base.
- One-piece design stops development of fungus, mould or bacteria.
- Soft and drop-proof.
- Doesn't absorb odours or flavours.
- Heat resistant and oven-proof.
- Microwave and dishwasher safe.
- BPA, PVC and phthalate-free.

Cleaning and Care:

Wash before and after each use. Although dishwasher safe, we recommend hand washing your bowl with warm, soapy water and rinsing thoroughly. Only soft bristle brushes or soft sponges should be used to clean this product as hard scourers may scratch the surface. Do not use any bleach-based cleaners or tablets to sterilise or clean your Haakaa products. To sterilise, use a steam steriliser or boil in water for 2-3 minutes. Do not store near any sharp objects. Store product in a cool, dry place and avoid direct sunlight.

Volume measurements inside the bowl are an approximation and should be used for general reference only.

Caution:

For your child's safety and health WARNING!

- Always use this product with adult supervision.
- Before each use, inspect the product. Throw away at the first sign of damage or weakness.
- Always check food temperature before feeding.
- Take extra care when microwave heating; localised overheating can occur. Always mix the heated food to avoid hot spots before feeding.
- Keep all components out of reach of children and pets when not in use.
- This product is not a toy. Do not use this product for anything other than its intended use.
